We want to extend our very sincerest thanks to you for all of your help in getting Mr. and Mrs. Carlucci to Philadelphia. We enjoyed meeting you and we hope you, as well as the Carluccis, found it to be a useful and enjoyable evening.

Mr. Frank Carlucci
Deputy Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Frank:

Words cannot possibly express how very much we appreciate your taking the time from your busy schedule to visit us last evening.

I can honestly say you provided our Committee with one of the most informative and stimulating evenings we have enjoyed in many seasons. Dick Helms has visited our Committee on two previous occasions and Bill Colby came to us shortly after his retirement; with all due respect to their fine exposition of the Agency and its problems, you gave us by far the most insight and understanding.

We were especially pleased that Marsha took the trouble to join us for the evening. I know our wives enjoyed meeting her and we hope she saw it to be a pleasant evening.

Speaking on a personal note, I hope it will not be another 20 some years before we see each other again. Marshal mentioned that you sometimes go back to Princeton for football games. Susie and I are regular attendees despite the dismal performance in recent years and we would very much enjoy a picnic with you on the Elm Club lawn.

On behalf of Howard Petersen and our entire Committee, I want to express our very sincerest thanks to you. We hope you might join us again at some future point in your government career and, in the meantime, we extend our very best wishes for continued success in your challenging responsibilities.

Sincerely,

Charles S. Gano
Secretary
